WORLD UPTOWN OFFICE-1207 BROADWAY. between 31st and 32d sts., New York. BROOKLYN - 359 FULTON St. HARLEM -

News Department, 150 East 125th st.; Advertisements at 237 East 115th st. PHILADELPHIA, PA. - LEDGER BUILDING, 112 SOUTH STH ST. WASHINGTON - 610 1478 ST. 14TH ST. LONDON OFFICE-32 COCESPURST., TRAFAL-GAR SQUARE.

ANOTHER GOOD PULL

to the baby sufferers. The larger it gets cap pulled over her eyes. the greater looms the hope of less pain and misery to thousands of young creatures this Summer.

When one reflects that by casting a Fall into line, good friends, and help

feeling for the helpless and the suffering is the corner-stone of every decent human nature. No matter what your religion is the gospel of the heart bids you do this sort of thing because you are a man.

Do not delay any longer. Don't do it to-morrow, or some time when you are not so busy. Do it now while you are thinking about it and then it is done, and you have a pleasant recollection to ten the whole Summer with.

A GREAT EQUINE CONTEST. Salvator and Tenny will try conclu-

sions once more on the Sheepshead Pay course. Next Wednesday the splendid four-year-olds will hold thousands breathless with excitement as they tear around the track, each with a burning ambition to get his nose under the wire the first.

Mr. HAGGIN and Mr. PULSIFER h ve supreme confidence in their respective the experience of a South American lady is fivers. It would take such a little on either side to give the one advantage" over the other that would mean victory. Money will change hands, there is no doubt of that, for each horse has the washed her face in this manner, and her most confident believers in his power to astonishment was great, a few days later, or

It will be a glorious might, those two sleek, sinewy engines of force thundering along with a prodigal lavishing of every grain of energy in their superb

Mecessity Is the Mother of Invention.

ist. What in thunder does that mean? akota Farmer-Them's our new sycions

At the annual federation of the Liberal GIVE Women's World a short time ago Mrs. Gladstone, as President of the Association, gave a large reception, to which flocked women James square was ablaze with light and every room thrown open to the gnests. Mrs. Bladstone's room was the most crowded the attraction doubtless being the large collection of photographs which cover the walls, among them being prints of the ex-Prime Minister during infancy, boyhood

and early manhood.

On the bed was draped the famous coverlet of white silk and gold threads presented by and testimonials lay about in every direcion, indicative of the esteem in which Mr. sed at the Post-Office at New York as second and Mrs. Giadatone are held by a large part of the community. At the reception given in Lord Brassup's home to the Federation a ladies' orchestra furnished the music and Countess Tolstoi received the guests. The are not safe; nurse-girls who belie the name. ountess is tall in stature, very handsome, her manner is said to be entrancing, she their infinence as the colic. speaks in a low, rich contralto voice and

her English is faultless. The chief object of the Federation is not so caped by poverty and disease, is deplorable. much for electionary purposes as to watch Poverty, like happiness, is born a twin, over the interests of women and children. and to educate the former to understand of physical troubles that persecute the chiltheir responsibilities as citizens.

It may interest the equestriennes of New The Free Doctors' Fund is growing York to know that the young Duchess de brought face to face with privation, should into fairer proportions, thanks to the Blumy wears a green habit in the saddle be hindered in the fight for existence by enerous contributions of warm friends trimmed with silver buttons and a jockey consuming fevers, crambling bones and disjointed limbs.

A London correspondent writes: "I do of a consumptive who with the vitality of maturity is battling for life, but when the not think I have seen it noticed anywhere, but the Princess Victoria of Wales is developing into a really pretty girl. Last week dollar into the fund there is a sensible at Chelses she had such a lovely color and makes the heart sick.

And yet there are whole neighborhoods in increase in the comfort and well-being of such bright eyes, that she looked as sweet a puny fellow-beings through the hot Sum- specimen of young womanhood as any one the lower part of the city blackened by the mer months, the wonder is that the dollar could wish to see. But the youngest of the path of this most fatal of all diseases. should remain in one's pocket for a Princess's three daughters has the best features of all-small clear-cut, like a minature copy of Princess Louise, Marchioness of Lorne, with a delightfully piquante, not to your brother mortals. Fine generous say mischievous, expression which is very charming."

> The enamelied flower is the favorite brooch. For the nonce violets and daises are out of favor and preference is shown orchids, blueys, eidelweiss, cornflower and snowdrop. Clusters and sprays such as forget-me-not, sweet pea and lily of the valley are not successful designs for ename

> At a large dinner recently given in Wash ington, a space in the centre of the table, nearly forty feet long and eight feet wide, was sunk so that the 600 potted ferns with which it was filled rose but a short distance above the table-cloth Innumerable little electric lamps were scattered under the fern fronds; no other lights were used in the room, and the effect is described as par ticularly charming.

Farewell to freekles on faces and arms, i verified. She writes: Some time ago, in the absence of water, of which there was a dearth at the time, she washed her face with ome of the juice of a watermelon. The result was so soothing that she repeatedly seeing that there was not a freckle left on her previously befreckled face. Just at

present the squeous fruit retails at \$2 each. Mrs. Amelia Bloomer says that she not only did not invent the so-called Bloome costume, but that she was not the first person to wear it. Both of these honors belong to Elizabeth Smith Miller, daughter of Ger-Young ladies of the junior class in a rit Smith. Mrs. Bloomer took it up after New England College had a dreadfully Mrs. Miller, and got all the fame, and much of the ridicule attached to it. She wore it found it a very comfortable costume. She

Cruiser in the World.

An Evening World reporter took To be a baby is a misfortune. Even in high life he is the victim of a refined system | cruise in a bumboat in the North River of torture, made hideous by safety pins that with two real Little Buttercups and a cargo of succulent pies, ten cases of botand soothing syrups that are as rasping in the beer and a clothes-basket filled to But to be a baby in low life and in the overflowing with tobacco, cigars, pipes, steaplechase towards manhood, to be handi- pins, needles, thread, buttons, soap,

THE CRUISE OF THE CARRIE. towels, handkerchiefs, writing-paper, pens, ink and a lot of other things known able to tell the offspring of consumptive only to the sailor and the bumboat

woman.

Sure enough, the unassuming, kindly-faced man in a blouse is Rear Admiral Bancroft Gberardi.

Admiral Gherardi turned the reporter over to David William Crosby, the "ship's writer," a brown-faced, brighteyed walking lexicon, who has spent eight of his twenty-three years of life in the service of Uncle Sam. The expedition embarked from Joe May's floating wharf, at the foot of West Thirty-fifth street, in the Carrie, one of Joe May's boats, which had been chartered for the occasion.

" Now then Mr. Eventso Women ! says Joe May, whose face is as brown as the five fatal diseases from which result the sole leather and whose grasp is as hearty frightful mortality of the city, the deaths as that of a vise, "now then, my hearty, among children being four times greater put yourself right in there fore'e'd and fifth of the population die before reaching vou're all right and snug. Jimmie will have you over in a jiffy."

The two Little Buttercups were hold-It is not possible to know the suffering of these walfs of humanity without actually ing the stern of the Carrie down to the visiting them in the fetid quarters of the very water's edge, the mountain of pies tenement-house district, and even then the and beer and notions helping them, and senses are deadened by speculating on the Jimmie's round and knotty form in the further endurance of life under such aggreswaist didn't begin to balance things. The bow of the Carrie stood in midair,

It is folly to tell the ignorant mother that and it seemed to the eyes of the reporshe must give her little one better nourishment, when her ignorance blinds her to the torial landlubber the only possible effect of "balancing" the skiff would be to "balance" it under the waters of the poisoning the little life, knowing that she is swift-rolling North River.

With a secret and inner trembling. therefore, he obeyed the mandate of Joe nights these poor weaklings are taking intended their lungs the malignant germs that lurk in the old garments of elder brothers and to New Yorkers these twenty-five years, spoon fashion: luxurious bedchambers, in the old garments, of elder brothers and and ought to know.

As the reporter stepped from the wharf up for'ard into the "eyes of her," an sunshine of heaven never penetrates, the irreverent small boy on the wharf made helpiess little ones linger a few months and some remarks about the reportorial die by thousands, actually starved for the trousers, which made two young women, also on the wharf, laugh immoderately,

and then stuff the ends of their aprons into their rosebud mouths, much to the discomitiure of the bashful newspaper man, who gratefully received stern orders from the stern o' that sloop, 'in obeying the councer' of from the stern o' that sloop, 'in obeying the councer' of the bashful newspaper man, who gratefully received stern orders from the stern o' that sloop, 'in obeying the councer' of from the stern o' that sloop, 'in obeying the councer' of from the stern o' that sloop, 'in obeying the councer' of the councer'

and discomfiture of the two Little Buttercups.

The reporter disembarked, and stood in the upper layer of the tide on the plation that the upper layer of the tide on the platic layer of the layer

any's dinner, and when payday comes there will be a reckoning.

At 1 o'clock another ringing of the gong announces that the dinner hour is over and the bumboat women gather up their and the bumboat women gather up their traps and clamber over the side and down the gameway to the same boat that brought them off shore. The pie tins are empty and so are the beer bottles in their cases. The basket of notions is also nearly empty. In an hour twenty dozens of beer have been disposed of, 100 pies have gone the way of all good and some mighty bad pastry, and the sailors have "got many a good dollar in the slop chest."

"Will they all pay?"

Lizzie and Annie repeat the reporter's question exclamatorily, and as if it were

many and, seizing the first of the Butter, cups—a buxon dame of forty-five years in a loving grasp, shouled cheerly "Now, then, Annie; mp you go!"

Ann e's reception was repeated for Lizzic, and then both the Buttercups climbed the polished staircase 'twixt sea and sky to the deck of the flagship Baltimore, of the North Atlantic Squadron.

Sailors followed the Buttercups laden down with baskets of pies, cases of beer and other things to tempt the palate, delight the eye and woo and win the dimes of the salle seamen of Uncle Sam's Navy.

The reporter immediately go! his weather eye out for that august personage, the Sir Joseph Porter, K. C. B., of the squadron, and was a little disappointed when he asked a right little, tight little man in a blue blouse, an "L" guard's cap, and a genial smile, for directions as to where he could find the Lord High Admiral.

"I am Rear Admiral in command"

"I am Rear Admiral in command"

Admiral.

"I am Rear Admiral in command here," replied the little man, still smilling genially.

Sure enough, the unassuming, kindly feered man in a bloom to rear our little ones and keep 'em at school we don't care. We buy our stock at wholesale, in whatever port wa visit such as the contract of the port we visit, going from port to port on the railway cars,"

the ht. mon when a ship's in port. Two young it ars, just returning from a twelve hours than enough for a load, have got into a dispute on the pier. A quickly assembled crowd of rough men encourage the acen other. Neither is in 'fighting trim," and one of them sprawls headlong upon his face in the dirt. He sinks into drunken sleep immediately, and when he is picked up he looks like a wreck. His face is skinned and bleeding and his clothing torn.

State of New York or New Jersey or Connection.

Neither sect nor creed will be considered in the contest, it is open to all female Sunday-school teachers of every creed.

The voter must use the ballot printed in The Evening Woodle, cutting it out and writing in the blank spaces the name of the voter's favorite Sunday-school teacher, designating her Sunday-school and its location, and signing the ballot with the name and address of the voter.

MR. MARTIN M'LANE, 207 PLEASANT AVE. MR. MARTIN M'LANE, 207 PLEASANT AVE.

"There were singing noise: in my ears, and I grow gradually deal. There was a constant dropping of muous into my throat. There was a constant dropping of muous into my throat from the back part of my home. I would have and spit in a vain spideswer to clear my throat. My breath became offenaive. I would have not of my nose, which were often stroaked with blood. I did not sleep well at night, and when I would faire in the morning I would feat to take the morning is wait feet to take the morning the side and with blood. I did not sleep well at night, and was my mout. I had an appetite. I lost all sanking muous. I had no appetite. I lost all sanking muous. I had so, he had no should back. I cought a harry shis in my cheet, side and back. I cought a harry shis in my cheet, side and back. I cought a harry shis in my cheet, side and back. I cought of the cought of the cought of the cought of Blair. I did so, Is was the very thing I should have done long before. Well to make a long story short, they cured me. I would fixe he make agreat deal morr, but that expresses all that is long story short, they cured me. I say a great deal more, but that expendencessary."

DOCTORS

92 5th Ave., near 14th St.; 147 W.42d St., near Broadway;

149 PIERREPONT ST., When they return to the ship they will be disciplined.

Life on board ship is not so very bad, even for the lowest rank of seamen. A band of fifteen pieces forms a part of the ship's company, playing every afternoon.

Increased Totals the Feature of P.M.; Sundays, B to 11:30 A.M. and 1 to 4 P.M.

438 At Vassar. Teacher in Popertment - Now. Hist Presery, supnose you wanted some butter at 251 the table and nobody noticed your want of it, what would you say ?

Miss livery of St. Louis) Says I wouldn't say anything. I'd just got up and get what ole-margaring I wanted and tra-ia-ia back to my scat. I guess you're not us in St. Louis manners. 357
